

## Which High Schools Do our Students Attend?

SDFAS students apply to and attend a wide variety of school, from independent to public, across the United States and Internationally. Some select the regular program as others enroll in the International Baccalaureate (IB) program.

Our High School Outplacement Office is committed to helping students identify and gain admission to the High School that's the right fit for them. Below is a list of High Schools where our students are thriving between 2015 and 2017.
