Transportation Program and Bus Routes

SCHOOL BUS SECURITY AND SAFETY:

- SDFAS bus and drivers meet all CHP and DMV safety standards.
- Drivers carry a cellular phone for emergency use, and a roster of students with parent contact information. We will provide you the Bus Driver phone number for your use.
- Our bus utilizes a three-point seat belts, add-on-restraint system, that easily adjusts to provide a proper, secure fit for children 25 to 65 lbs, up to 57 inches tall and over 2 years of age.

OUR GOAL IS TO TRANSPORT STUDENTS SAFELY, ON TIME AND IN AN ORDERLY MANNER.

We encourage parents and students to take a few minutes to review the safety steps and guidelines that will be provided to you once you have registered for the bus transportation. Occasionally the bus is delayed due to traffic. We appreciate your patience and understanding.
