REQUIRED RED POLOS AND BLUE T-SHIRTS FOR PHYSICAL EDUCATION

In this email you will find a link to access our SDFAS page where you will order

- A red polo (required for grades PK0 through 5)
- A navy-blue PE t-shirt (required for grades 1 through 8)

both of which will have the SDFAS logo heat pressed or embroidered on them.

The items will be shipped directly to your home. There are sizing info and charts on their website to help you out, and they also have a toll-free number.

OPTIONAL SPIRIT WEAR

By popular demand, parents will now have the choice of ordering spirit wear for their children and themselves through Lands' End.

What is spirit wear? They are clothing items that show school spirit and pride in SDFAS! They are optional and can be purchased with the SDFAS logo. Most schools have this type of clothing, and we are thrilled to offer this to our SDFAS families.

The list of items includes white and blue polo shirts, sweatshirts, hoodies, sweaters, cardigans, jackets, vests, fleeces, hats, etc. Most of these items are available in all sizes - even adult sizes! This site will be accessible throughout the year, so you can purchase additional items when you need them and have them shipped directly to your home.

SOME IMPORTANT INFORMATION BEFORE YOU GET STARTED

- **Only for Grade 1 through 8:** SDFAS will be issuing a credit to parents for one **navy PE shirt per student if purchased between now and September 30th**. You will find this credit in your FACTS account in October.
- Go to the following link: [Lands' End](#) and **sign in to create a personal shopping account**. This is an important step because by signing up, you will receive Land's End emails with promotions and discounts for purchases throughout the year.
- **After you have created your account**, you will need to select boy or girl and the grade/status of your child in the drop-down menu (here is where you can also find the optional spirit wear, at the end of the grade list). You can choose to save your school, or you can click on the teeny tiny link found when you scroll down that says *I prefer not to save this information beyond today's visit. [Shop Now](#)*
- You will see 5 different options on the next page: 3 **red polo** shirts (1 of which is required for grade PK0 through 5) and 2 **navy PE shirts** (1 of which is required for grade 1 through grade 8). There are 3 red polos and 2 navy t-shirts because after many requests from parents, you can now choose the material of your shirts (polo and t-shirt). The red polo options include rapid dry, 100% cotton, and mesh polo for 2T and 3T sizes. The navy PE shirt is available in two options: essential cotton t-shirt or active gym fit t-shirt.
- When purchasing the red polo shirt, you must select the SDFAS embroidered logo from the drop down (it is the only option because the embroidered logo is required on the red polo shirt). For the navy PE t-shirt, the SDFAS logo is also required, but you can choose from a few logo options (like the less expensive plain white heat pressed logo). You also have the option to order as many of the shirts as you want.
- If you would like to buy any of the **optional spirit wear** items with the SDFAS logo, you need to go back under the main page and select the spirit wear option under the grade/status drop down menu. Here you will find sweaters, jackets, cardigans, hoodies, hats, other colored polos for everyday use, etc. These can be ordered with the SDFAS logo.
- Please note that you can purchase any items you like from the Lands' End website, but only the items found under the required and spirit wear sections are available to have the SDFAS logo added.
